NOUREDDINE ETTOUZANY

FULL STACK ENGINEER

PROFILE

Full Stack Engineer with 8+ years of experience delivering high-quality web and mobile solutions. I transform and enhance web presence, lead engineering teams, and drive architecture and code-quality standards to fuel business growth.

EXPERIENCE

Front-end Developer (Freelancer) — Tygo.sa CURRENT
2021 — Present · React · .NET Core
Built user-facing features for a SIM / eSIM comparison platform covering 250+ packages in Saudi Arabia.

Front-end Developer — Senaei (Ministry of Industry, SA)
2023 · Angular
Developed Angular interfaces simplifying industrial licensing and compliance workflows for investors.

Full Stack Engineer — Acorvo
2026 · Next.js · TypeScript
Built the front-end of a dental practice management SaaS: patient records, smart scheduling, billing and analytics dashboards, role-based access and a multilingual UI.

CTO — PUT
2025 · React
Leading the technical vision and architecture of PUT, a real-estate platform for renting, selling and managing property.

Team Leader / Software Manager — Sahty
2024 — 2025 · Java
Managing a cross-functional engineering team, driving architecture and code-quality standards, and delivering scalable systems.

Project Manager — Derwork
2022 · Next.js
Led delivery of a Next.js jobs platform with listings, company reviews and dashboards, managing cross-functional teams.

App Developer — Edoc
2022 · Flutter
Designed and built 8 educational apps teaching programming languages with lessons and quizzes.

App / Web Developer — Havatar
2022 · Flutter
Independently built a full delivery platform (Glovo-style) for customers, drivers and merchants.

PrestaShop Developer — Lalic
2022 · PrestaShop
Developed and customized e-commerce stores with themes, modules and payment integrations.

Front-End Developer & Designer — fekrasystems
2018 · Angular
Delivered 10+ Angular management systems with responsive, user-friendly UI/UX.

WordPress Front-End — Igaming.ma
2017 · WordPress
Started my career building responsive WordPress websites and front-end designs.
